Work Lead/App Record Actions Workflow Follow-up

Enter the last name in mixed-case letters; e.g. Smith.

Record: 1/1

Warning: Applet Window

- Clicking the MASS TP/Follow up button will return a replicated query of the Lead select Screen query (Example: PIRs will only return the PIRs in the Follow Up filter)
- All other follow-up/contact procedures remain as normal (Follow Up Actions button takes you to the Phone/Person contact update window)

Perform Follow-up Actions for PIR
